Saturday . .	Kalkaji DDA Flats	11.00 A. M to 1.00 P. M.
	Kalkaji pkt-13	2.30P. M. to 3.30 P. M.
	Kalkji pkt-14	3.30 P. M. to 5.00 P. M.
	Kalkaji Main Road	5.00 P.M. to 6.30 P. M.

Water supply in Maharashtra

2690. SHRI SUSHILKUMAR SAMBHAJIRAO SHINDE : Will the PRIME MINISTER be pleased to state :

(a) whether Government of Maharashtra has been pressing a proposal to revise the norms for per-capita per day water supply from 40 litres to 55 litres and cost norms of water supply together with relaxation of the norms for private connections;

(b) if so, what is the precise proposal of that Government; and

(c) what is the Union Government's decision thereon ?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (DEPARTMENT OF RURAL DEVELOPMENT) (SHRI UTTAMBHAI PATEL) : (a) Yes, Sir.

(b) The proposals of the State Government of Maharashtra are as under :

(i) Permission to the State Government to provide household connections to the extent of 30% for schemes under Accelerated Rural Water Supply Programme. This would require designing the schemes at the rate of 55 liters per capita per day instead of the present norm of 40 lpcd.

(ii) Upward revision of per capita cost norm for schemes under ARWSP for Rs. 1000 in hilly areas, Rs. 800 in other areas where static lift is more than 30 meters and Rs. 600 where static lift is upto 30 metres, to Rs. 1300, Rs. 1100 and Rs. 850 respectively.

(c) As regards the scheme at (i) under the present guidelines of ARWSP, house connections are not allowed. Unless the entire rural population is covered with safe drinking water supply as per the present norms of 40 lpcd, liberal norm of 55 lpcd is not permitted, particularly keeping in view the constraint of availability of resources to cover the uncovered and partially covered population. As regard the proposal at (ii) the revised per capita cost norms of Rs. 1150, Rs. 975 and Rs. 750 respectively was approved and conveyed to the State Government of Maharashtra in September, 1993. Subject to certain safeguards, it has now been decided to adopt the same cost norms under ARWSP as prevailing in the State for schemes under MNP.
